

## Collier Hills

Weaver & Woodbery Company and Paces Properties, Inc. have developed 32 condominium units within the highly desirable Ardmore Park area of the Collier Hills neighborhood. The project is located near the intersection of Peachtree Road and Collier Road in the South Buckhead area of Atlanta and is near Piedmont Hospital, area parks, a public golf course and tennis courts, as well as numerous shops and restaurants within walking distance.

The two historic buildings were built in the 1920's and have been renovated to include all of the amenities found in new construction while keeping the historic charm of 1920's architecture. Both buildings are listed on the National Register of Historic Places.
