### **Wisteria Drive latest Weaver & Woodbery development**

Located in Mableton, minutes off the East West Connector, the Wisteria Drive project will offer 33 single-family detached homes. Home prices are expected to start in the mid-\$300's. Area amenities include The Silver Comet Trail and the Barnes Amphitheatre. For more information please contact Billy Snowden.

### **Wilkins Walk slated to begin development**

Wilkins Walk will offer both single-family detached homes and fee-simple townhomes located off the East West Connector in Mableton, Georgia. Detached home prices are expected to start in the high \$300's and townhomes are expected to start in the high \$200's. Area amenities include The Silver Comet Trail and the Barnes Amphitheatre. For more information please contact Billy Snowden.

### **Vinings Orchard completes development**

Vinings Orchard is located at the last undeveloped tract of land on Log Cabin Drive. Therefore, it might be the last subdivision built in this prestigious Vinings community. With 16 homes, Vinings Orchard is a perfect neighborhood for the purchaser that might already live in the Vinings or Buckhead communities, but is looking to have less upkeep. Area amenities include the shopping at the Vinings Jubilee or the newly renovated Cumberland Mall, dining at fine restaurants such as Canoe or The Old Vinings Inn, or music and theatre at the newly constructed Cobb Performing Arts Center. For more information on this community please contact Billy Snowden.

### **Highland Green completed by Weaver & Woodbery Company**

Selected because of its extraordinary location in the Virginia-Highland area of Atlanta, these townhomes feature the latest custom finishes and offer sweeping views of the Downtown and Midtown skyline.
