

Highland Green

The Highland Green townhome project is Weaver & Woodbery's latest intown single-family development, selected because of its extraordinary location in Virginia-Highland. These 19 units will feature the latest custom finishes and will offer sweeping views of the Downtown and Midtown skyline. Built by Monte Hewett, homes are now available for purchase. Visit [Monte Hewett Homes](#) for more information on purchasing a home.

Local amenities include all of the shopping and dining offered in this established neighborhood, along with proximity to Freedom Park, Piedmont Park, and Inman Middle School - recognized as one of Atlanta's finest.
