

La Vista Business Park

Lavista Business Park consists of 23 industrial condominiums for sale or lease. Weaver & Woodbery and Nickol Commerical are offering space in the Lavista Business Park, one of the few properties in the Atlanta industrial market with 6,000 – 12,000 square-foot units available for sale. With excellent access to I-285 and I-85 the property's convenient location is generating significant interest from both users and investors.
