Thumbs Up Diner.

Thumbs Up Diner (<http://www.thumbsupdiner.com/>) is located at 826 Marietta Street within a 2,400 square foot single-story building located near the intersection of Northside Drive and Marietta Street in Atlanta, Georgia. Here is an excerpt from their website:

Why do people continue to flock to Thumbs Up? Here are a couple of reasons: we feature 100% pure Vermont Maple Syrup; all our salmon, Italian sausage, turkey and chicken is smoked in-house; all our orange juice and grapefruit juice is 100% fresh squeezed; our jams, multi-grain biscuits and stone ground grits are all homemade.
